

KOH SAMUI FREE & EASY JOURNEYS ***** 3 DAYS 2 NIGHTS *****

Samui is the third largest Island in Thailand and the largest in an archipelago of more than 80 islands that includes the Ang Thong National Marine Park, a kayaking paradise and day Trip from ko Samui. While Samui is small enough to be circumnavigated in just a couple of hours by motorbike or car, the Island features such a variety of Beaches and activities that it would be impossible to experience everything in a single visit. There are so many beautiful beaches here like Chaweng, Lamai, Taling Ngam, and Natiem. Besides plentiful nature, the Island is also full of History and Culture. While there are a few quieter Beaches that are ideal for relaxation, particularly those that feature some of the finest 5-star resorts in the world, and some that exude old-world charm, such as Bo Phut, which features converted, old Chinese shophouses, Samui is a lively, exciting place than it was a few decades ago. Ko Samui has developed into its own style of Island paradise, retaining much of its natural beauty while offering nearly every imaginable activity or service for the ultimate beach Holiday.

This beautiful structure was built in 1972 with 12metres height golden statue sits on an elevated platform, adorned with dragons and traditional decor that visually dominates the landscape. **Wat Plai Laem** is a Buddhist temple, it has a striking white 18-arm image of Guanyin, the Goddess of Mercy and Compassion in Chinese Buddhism. Photo stop at **View point** overlooking the beautiful Chaweng Beach. Next, visit **Hin Ta and Hin Yai Rocks** are some fascinating rock formations. They've been a source of giggles and wonder on the island since they were discovered by the locals many years ago. Known as Grandpa (Ta) and Grandma (Yai), the rocks look, respectively, like male and female genitalia. **Wat Khunaram** is an impressive temple in Samui because it hosts the mummified remains of a monk, Luong Por Daeng. The mummy is in a seated meditative position in which he died over 20 years ago, and remarkably shows little sign of decay. Last stop at **Na Muang Waterfall**, this waterfall is just off a concrete road, making it easily accessible to visitors. Rocks and tree roots from a natural staircase leading directly to a large pool at the base of the waterfall Be careful when swimming in the pool, however, as swallow, sharp rocks are obscured by the frothing of the fall.
